

Quarterly Quick Employment Survey

After the Global economic slowdown and its impact on many developing/developed countries, a need was felt to assess the impact of slowdown on employment in India. Accordingly, Ministry of Labour & Employment entrusted Quarterly Quick Employment Survey to the Labour Bureau.

Labour Bureau has been conducting Quarterly Quick Employment surveys in the selected labour-intensive and export-oriented sectors to assess the effect of economic slowdown on employment in India since January, 2009. So far **twenty four** such surveys have been conducted by Labour Bureau and reports thereon released.

According to the survey results, overall estimated employment in all selected sectors has experienced a net addition of **37.46 lakh** starting from the first survey (October, 2008 to December, 2008) till the 24th Survey (October, 2014 to December, 2014). The sector wise changes in employment occurred during the period covered by the 24 quarterly surveys conducted so far are enclosed as annexure I.

Sector Covered

1. Textiles including apparels;
2. Metals;
3. Gems & Jewellery;
4. Automobiles;
