## PREFACE

Minimum wage system serves a useful purpose as it prevents exploitation of labour and provides necessary cushion to workers through periodic revision of minimum wages on a statutory basis. The Minimum Wages Act, 1948 empowers the Central and State Governments to fix and revise the minimum rates of wages payable to workers in scheduled employments in sweated and unorganized industries. The wage rates so fixed not only regulate the cost of production to an extent but also have an important bearing on the standard of living and well being of the work force.

The Labour Bureau brings out an annual report on the working of the Minimum Wages Act, 1948. The present report pertains to the year 2009. It presents information on employments added, employments in which the Minimum Wages were fixed for the first time, the Minimum Wages in different scheduled employments prevalent during the year, the range of Minimum Wages, comparative Minimum Wage Rates prevailing in scheduled employments and number of Inspections etc. Information contained in this volume is based on the annual reports/returns received from the Chief Labour Commissioner (Central) as well as the concerned authorities of the State Governments and Union Territories. The Labour Bureau, therefore, expresses its gratitude to all of them for their co-operation.

I would like to express my appreciation for the efforts put in by the officers and staff of the Wages Section of Labour Bureau, Chandigarh, whose names appear in Annexure-V of this Report for bringing out the publication.

The views expressed in this publication are not necessarily those of the Ministry of Labour and Employment, Government of India. Suggestions for improvement are welcome.

## EXECUTIVE SUMMARY

- The present report on the working of the Minimum Wages Act, 1948 pertains to the year 2009.
- The report is based on the returns received from twelve States, four Union Territories and CLC (Central) for the year 2009. The rest of the States/Union Territories either submitted defective returns or did not submit returns at all.
- Bihar and Meghalaya were two States which added new employments to the schedule appended to the Act.
- Amongst the States, maximum number of scheduled employments (88) were reported from Bihar and the minimum number (4) were reported from Mizoram.
- In case of Union Territories, maximum number of scheduled employments were reported from Chandigarh (48) and the minimum were reported from Andaman & Nicobar Islands (6).
- There exists no uniformity in the wage structure across the various States/Union Territories as some states pay consolidated wages (Basic + Dearness Allowance) and the others report D.A. as a separate component.
- The Range of wages varies from 0 to Rs. 93.91. It is zero in case of all the States/U.T.s which are paying equal wages to all the unskilled workers in all the scheduled employments whereas it is maximum in case of Central Labour Commissioner (Central) i.e. Rs. 93.91.
- Highest minimum wages are being paid by the Central Labour Commissioner (Central) which stood at Rs. 203.00 in Area – A in the scheduled employments viz. (1) Construction/Maintenance of Roads and Building Operations

(2) Construction and Maintenance of Runways (3) Employment in laying of Underground electric, wireless, radio, television, telephone, telegraph and overseas communication cables and similar other underground cabling, electric lines, water supply lines and sewerage pipe lines (4) Loading and Unloading in Goods Sheds, Parcel Offices of Railways, other Goodsheds, Godowns, Warehouses, etc. and Docks and Ports (5) Maintenance of Buildings (6) Sweeping and Cleaning and (7) Watch and Ward and the lowest Rs. 80.00 are being paid in all the scheduled employment in the State of Arunachal Pradesh.

- Total of 242 different types of scheduled employments were reported where the minimum wage rates have been fixed by the States/Union Territories/CLC.
- The response rate in case of the establishments covered under the Act is as low as 0.17 per cent for Uttarakhand and as high as 92.66 per cent for Manipur.
- The highest number of inspections (228713) were reported from the state of Bihar and the lowest number were reported from Arunachal Pradesh (29).
- The highest number of irregularities were detected by the Central Labour Commissioner (161562) and the lowest (38) were observed in Manipur.
- The highest number of prosecutions were launched by the State of Gujarat (2058) and the lowest number of prosecutions launched were reported by Rajasthan (35) in the State sphere.
- The highest number of claims were preferred by the State of Bihar (20609) and the lowest were preferred by Andaman and Nicobar Islands (1).

# **REPORT ON THE WORKING OF THE MINIMUM WAGES ACT, 1948 FOR THE YEAR 2009**

## **I. INTRODUCTION**

**1.1** The purpose of seeking employment is to sell labour to earn wages so as to attain a 'decent' or 'dignified' standard of living. The wage or income that a worker obtains from his /her work is therefore, what enables him /her to achieve a fair standard of living. One seeks a fair wage both to fulfil one's basic needs and to feel reassured that one receives a fair portion of the wealth in return for one's work. Society has a duty to ensure a fair wage to every worker, to ward off starvation and poverty, to promote the growth of human resources, and to ensure social justice without which likely threats to law and order may undermine economic progress.

**1.2** The Constitution of India accepts the responsibility of the State to create an economic order in which every citizen finds employment and receives a 'fair wage'. This made it necessary to quantify or lay down clear criteria to identify a fair wage. Therefore, a Central Advisory Council in its first session (November, 1948) appointed a Tripartite Committee on Fair Wages. The Committee consisted of representatives of employers, employees and the Government. Their task was to enquire into and report on the subject of fair wages to labour.

**1.3 THE COMMITTEE ON FAIR WAGES** defined three different levels of wages viz;

- (i) Living wage
- (ii) Fair wage
- (iii) Minimum Wage

### **1.3.1 Living Wage**

The living wage, according to the Committee, represented the highest level of the wage which should enable the worker to provide for himself and his family not merely the basic essentials of food, clothing and shelter but a measure of comfort including education for children, protection against ill health, requirements of essential social needs and a measure of insurance against more important misfortunes including old age. But the Committee felt that when such a wage is to be determined, the considerations of national income and the capacity to pay of the industry concerned has to be taken into

account and the Committee was of the opinion that living wage had to be the ultimate goal or the target.

#### **1.4 Fair Wage**

**1.4.1** The Fair Wages Committee in this connection observed : “ the objective is not merely to determine wages which are fair in the abstract, but to see that employment at existing levels is not only maintained, but if possible increased. From this point of view, it will be clear that the levels of the wages should enable the industry to maintain production with efficiency. The capacity of industry to pay should, therefore, be assessed by the Wage Boards in the light of this very important consideration.”

**1.4.2** The Fair Wages Committee also recommended that the fair wage should be related with the productivity of labour. In this connection, it may be said that in India since the existing level of wages is unable to maintain the workers on subsistence plus standard, it is essential that the workers must be first assured a living wage and only after this minimum has been done, the wages should be related to the productivity. The Committee further recommended that the fair wage should be related with the prevailing rates of the wages, though in view of unduly low wages prevailing even in organized industries in the country, it laid down that the wage fixing machinery should, therefore, make due allowance for any depression of wages caused by unequal bargaining.

**1.4.3** With regard to the machinery to be adopted for the fixation of fair wages, the Committee favoured the setting up of Wage Boards. It recommended that there should be a State Board for each State, composed of independent members and representatives of employers and employees in equal numbers. In addition to the State Board, there should be a Regional Board for each of the industry taken up for wage regulation. Finally, there should be a Central Appellate Board to which appeals may be preferred on the decision of the Wage Boards. On the recommendations of the Committee on Fair Wages, a bill was introduced in the Parliament in August 1950, known as Fair Wages Bill. It aimed at fixing fair wages for workers employed in the first instance, in factories and mines. It contained various other useful provisions also. But the bill now stands lapsed.

**1.4.4** The Fair Wages Committee appointed by the Government of India, as stated earlier, drew a distinction between a minimum and a living wage and observed that the

minimum wage is less than the living wage. With regard to the fair wage, the Committee recommended that it should be above the minimum wage and below the living wage.

## **1.5 Minimum Wage**

**1.5.1** The Committee was of the view that a minimum wage must provide for not merely the bare sustenance of life, but for the preservation of the efficiency of the worker. For this purpose, the minimum wage must also provide for some measure of education, medical requirements and amenities.

**1.5.2** The statutory Minimum Wage is the wage determined according to the procedure prescribed by the relevant provisions of the Minimum Wages Act, 1948.

**1.5.3** The question of establishing statutory wage fixing machinery in India was, therefore, discussed at the third and fourth meetings of the *Standing Labour Committee* held in 1943 and 1944 respectively and at successive sessions of the *Tripartite Labour Conference* in 1943, 1944 and 1945. The last of these approved the enactment of minimum wages legislation in principle. On April 11, 1946, a Minimum Wages Bill was introduced in Parliament but the passage of the Bill was considerably delayed by the constitutional changes in India. It was, however, passed into an Act in March, 1948.

**1.5.4** The Act applies to the employments (Annexure I) that are included in Parts I and II of the Schedule Appended to the Act. The authority to include an employment in the schedule and to take steps for getting the minimum rates of wages fixed or revised vests with the Government – Central or State, according to the nature of employment. Once the minimum rates of wages are fixed according to the procedure prescribed by law, it is the obligation of the employer to pay the said wages irrespective of the capacity to pay.

## **1.6 CONCEPT OF THE MINIMUM WAGES AS DEFINED IN THE VARIOUS INTERNATIONAL LABOUR ORGANISATION (ILO) CONFERENCES**

**1.6.1** A brief history of the concept of Minimum Wages as taken up by the various International Labour Organisation Conferences from time to time is traced in the following paragraphs.

## **1.6.2 CONVENTION NO.26**

### **ELEVENTH SESSION (1928)**

**1.6.3** Eleventh Session held on 30<sup>th</sup> May, 1928, was convened at Geneva. Adoption of proposals with regard to Minimum Wage Fixing Machinery was the first item on the agenda of the Session.

## **1.6.4 CONVENTION NO. 99**

### **THIRTY FOURTH SESSION (1951)**

**1.6.5** The Thirty Fourth Session was held on 6<sup>th</sup> June, 1951 and the Convention concerning the Minimum Wage Fixing Machinery in Agriculture was the eighth item on the agenda of the Session. The guidelines for creation / maintenance of adequate machinery whereby Minimum Wages can be fixed for agricultural workers were similar to those stated for Minimum Wage Fixing Machinery in the 11<sup>th</sup> Session of the ILO.

## **1.6.6 CONVENTION NO.131**

### **FIFTY FOURTH SESSION (1970)**

**1.6.7** The General Conference of the ILO met in its 54<sup>th</sup> Session on 3<sup>rd</sup> June, 1970 in Geneva and passed the Convention concerning Minimum Wage Fixing, with special reference to developing countries on 22<sup>nd</sup> June, 1970. It was thought that the earlier Conventions with regard to the Minimum Wages had played a valuable part in protecting disadvantaged groups of wage earners and that another Convention was needed to complement the earlier ones, which, while of general application, will pay special regard to the needs of developing countries.

## **1.7 MINIMUM WAGE DEFINED IN THE VARIOUS SESSIONS OF INDIAN LABOUR CONFERENCES**

### **1.7.1 FIFTEENTH SESSION, (1957)**

**1.7.2** At the 15<sup>th</sup> Session of the Indian Labour Conference held at New Delhi in July 1957, an important resolution was passed, which laid down that the minimum wage should be need-based and should ensure the minimum human needs of the industrial worker. The following norms were accepted as a guide for all wage- fixing authorities including Minimum Wage Committees, Wage Boards, Adjudicators, etc.:

- (i) In calculating the minimum wage, the standard working class family should be taken to comprise three consumption units for one earner, the earnings of women, children and adolescents being disregarded.

- (ii) Minimum food requirements should be calculated on the basis of a net intake of 2700 calories as recommended by Dr. Akroyd for an average Indian adult of moderate activity.
- (iii) Clothing requirements should be estimated on the basis of a per capita consumption of 18 yards per annum, which would give for the average worker's family of four a total of 72 yards.
- (iv) In respect of housing, the norm should be the minimum rent charged by Government in any area for houses provided under the Subsidised Industrial Housing Scheme for low – income groups ; and
- (v) Fuel, lighting and other miscellaneous items of expenditure should constitute 20 per cent of the total minimum wage. The Resolution further laid down that wherever the minimum wage fixed was below the norms recommended above, it would be incumbent on the authorities concerned to justify the circumstances which prevented them from adherence to the aforesaid norms. The Resolution, thus, tried to give a concreteness to the whole concept of minimum wage.

**In 1991, the Supreme Court in its judgment** expressed the view that children's education, medical requirement, minimum recreation, including festivals, ceremonies, provision for old age and marriage should further constitute 25 per cent and be used as a guide for fixing the minimum wage.

### **1.7.3 THE THIRTIETH SESSION (1992)**

The Indian Labour Conference in its Thirtieth Session in September, 1992 expressed the view that while the tendency to fix minimum wages at unrealistically high levels must be checked, implementation of wages once fixed must be ensured. It felt that the implementation machinery, consisting of labour administration in the States had been far from effective. It was desirable that workers' organizations and non-governmental voluntary organizations etc., played a greater role instead of engaging an army of inspectors for this purpose.

### **1.7.4 REVISION**

The Minimum Wage rates should be revised at an appropriate interval not exceeding five years.

### **1.7.5 PROCEDURE FOR FIXATION/REVISION**

In (Section 5 of) the Minimum Wages Act, 1948, two methods have been provided for fixation/revision of minimum wages. They are the Committee method and Notification method.

(i) **COMMITTEE METHOD**

Under this method, committees and sub-committees are set up by the appropriate Governments to hold enquiries and make recommendations with regard to fixation and revision of minimum wages, as the case may be.

(ii) **NOTIFICATION METHOD**

In this method, Government proposals are published in the Official Gazette for information of the persons likely to be affected thereby and specify a date not less than two months from the date of the notification on which the proposals will be taken into consideration. After considering advice of the Committees/Sub-committees and all the representations received by the specified date in Notification method, the appropriate Government shall, by notification in the Official Gazette, fix/revise the minimum wages in respect of the concerned scheduled employment and it shall come into force on expiry of three months from the date of its issue.

### **1.7.6 VARIABLE DEARNESS ALLOWANCE (VDA)**

It was recommended in the Labour Ministers' Conference held in 1988, to evolve a mechanism to protect wages against inflation by linking it to rise in the Consumer Price Index. The Variable Dearness Allowance came into being in the year 1991. The allowance is revised twice a year, once on 1st April and then on 1st October.

### **1.7.7 ENFORCEMENT MACHINERY**

The enforcement of the provisions of the Minimum Wages Act in the Central Sphere is secured through the officers of Central Industrial Relations Machinery. In so far as State Sphere is concerned, the enforcement is the responsibility of the respective State Government/Union Territory.

### **1.7.8 NATIONAL WAGE POLICY**

Though it is desirable to have a National Wage Policy, it is difficult to conceive a concept of the same. The issue of National Wage Policy has been discussed on many occasions at various forums. Because fixation of wages depends on a number of criteria like local conditions, cost of living and paying capacity which also varies from State to State and from industry to industry, it would be difficult to maintain uniformity in wages. The Indian Labour Conference, held in November, 1985 expressed the following views-

“Till such time a national wage policy does not come into being, it would be desirable to have regional minimum wages in regard to which the Central Government may lay down the guidelines. The Minimum Wages should be revised at regular periodicity and should be linked with rise in the cost of living”

Accordingly, the Government issued guidelines in July, 1987 for setting up of Regional Minimum Wages Advisory Committees. These Committees renamed subsequently as Regional Labour Ministers' Conference, made a number of recommendations which include reduction in disparities in minimum wages in different states of a region, setting up of inter-state Coordination Council, consultation with neighbouring States while fixing/revising minimum wages etc.

### **1.7.9 REGIONAL COMMITTEES TO REDUCE DISPARITIES IN WAGES**

There is disparity in rates of minimum wages in various regions of the country. This is due to the differences in socio-economic and agro-climatic conditions, prices of essential commodities, paying capacity, productivity and local conditions influencing the wage rate. The regional disparity in minimum wages is also attributed to the fact that both the Central and State Governments are the appropriate Government to fix, revise and enforce minimum wages in scheduled employments in their respective jurisdictions under

the Act . To bring uniformity in the minimum wages of scheduled employments, the Union Government has requested the States to form regional Committees. At present there are five Regional Minimum Wages Advisory Committees in the country which are as under:-

NAME OF THE REGION	STATE/UNION TERRITORY
Eastern Region	West Bengal, Orissa, Bihar, Jharkhand and Andaman & Nicobar Islands.
North Eastern Region	Arunachal Pradesh, Assam, Manipur, Meghalaya, Mizoram, Sikkim, Nagaland and Tripura.
Southern Region	Andhra Pradesh, Karnataka, Kerala, Tamil Nadu, Puducherry and Lakshadweep.
Northern Region	Punjab, Rajasthan, Himachal Pradesh, Jammu & Kashmir, Haryana, Uttar Pradesh, Uttarakhand, Delhi and Chandigarh.
Western Region	Maharashtra, Gujarat, Goa, Madhya Pradesh, Chhattisgarh, Dadra & Nagar Haveli and Daman & Diu.

## **1.8 CONCEPT OF NATIONAL FLOOR LEVEL MINIMUM WAGE**

In order to have a uniform wage structure and to reduce the disparity in minimum wages across the country, the concept of National Floor Level Minimum Wage was mooted on the basis of the recommendations of the National Commission on Rural Labour (NCRL) in 1991. Keeping in view the recommendation of NCRL and subsequent rise in price indices, the National Floor Level Minimum Wage was fixed at Rs. 35/- per day in 1996. The Central Government raised the National Floor Level Minimum Wage to Rs. 40/- per day in 1998 and further to Rs. 45/- with effect from 01.12.1999, and Rs. 50/- per day with effect from 1.9.2002. Based on the norms suggested by the Working

Group and its acceptance by the Central Advisory Board subsequently in its meeting held on 19.12.2003, national floor level minimum wage was revised upward to Rs. 66/- per day with effect from 1.02.2004 and subsequently it was increased to Rs. 80.00 per day with effect from 1.9.2007. The Central Government has increased the National Floor Level Minimum Wage from Rs. 80/- to Rs. 100/- per day with effect from 1.11.2009. The National Floor Level Minimum Wage, however, has no statutory backing. The State Governments are persuaded to fix minimum wages such that in none of the scheduled employments<sup>1</sup>, the minimum wage is less than National Floor Level Minimum Wage.

## **II. MAIN PROVISIONS OF THE MINIMUM WAGES ACT, 1948**

Following are the main provisions of the Act:-

### **2.1 FIXING OF MINIMUM RATES OF WAGES**

**2.1.1** It provides for fixing minimum wages in certain employments where labour is ignorant or less organised and is vulnerable to exploitation. Minimum wages are not to be fixed in respect of any industry in which there are less than 1,000 employees in the whole State. (Under the 1957 amendment to the Act of 1948, this limiting condition has been substantially relaxed.)

**2.1.2** The Act provides for the fixation of

- (a) A minimum time rate
- (b) A minimum piece rate
- (c) A guaranteed time rate
- (d) An overtime rate appropriate to different occupations and different classes of workers.

**2.1.3** The minimum wage fixed or revised by the appropriate Government<sup>2</sup> will include the following

- (a) A basic rate of wages and a special allowance at a rate to be adjusted, at such intervals and in such manner as the appropriate government may direct, to accord

---

<sup>1</sup> "Scheduled employment" means an employment specified in the schedule appended to the Minimum Wages Act, or any process or branch of work forming part of such employment.

<sup>2</sup> As per the Act, the appropriate government means (i) In relation to any scheduled employment carried on by or under the authority of the Central Government or a railway administration or in relation to a mine, oilfield or major port or any corporation established by a Central Act, the Central Government and (ii) In relation to any other scheduled employment, the State Government.

- as nearly as practicable with the variation in the cost of living index number<sup>3</sup> applicable to such workers.
- (b) A basic rate of wages with or without the cost of living allowance and the cash value of the concessions in respect of suppliers of essential commodities at concession rates, where so authorised: or
  - (c) An all inclusive rate allowing for the basic rate, the cost of living allowance and the cash value of the concessions, if any.
  - (d) The cost of living allowance and the cash value of the concessions in respect of supplies of essential commodities at concession rate shall be computed by the competent authority<sup>4</sup> at such intervals and in accordance with such directions as may be specified or given by the appropriate government. The Act lays down that wages should be paid in cash, although it empowers the appropriate Governments for the payment of minimum wages wholly or partly in kind.

## **2.2 PAYMENT OF MINIMUM RATE OF WAGES**

The employer is required to pay to every employee, engaged in a scheduled employment under him, wages at a rate not less than the minimum rate of wages notified for that class of employees without any deduction except as may be authorised.

## **2.3 FIXING HOURS FOR NORMAL WORKING DAY**

In regard to any scheduled employment, minimum rates of wages in respect of which have been fixed under this Act, the appropriate Government may

- (a) fix the number of hours of work which shall constitute a normal working day, inclusive of one or more specified intervals;
- (b) provide for a day of rest in every period of seven days which shall be allowed to all employees or to any specified class of employees and for the payment of remuneration in respect of such days of rest;
- (c) provide for payment for work on a day of rest at a rate not less than the overtime rate

---

<sup>3</sup> Cost of living index number in relation to employees in any scheduled employment in respect of which minimum rates of wages have been fixed, means the index number ascertained and declared by the competent authority by notification in the Official Gazette to be the cost of living index number applicable to employee in such employment.

<sup>4</sup> Competent authority means the authority appointed by the appropriate government by notification in its Official Gazette to ascertain from time to time the cost of living index number applicable to the employees employed in the scheduled employment specified in such notification.

## **2.4 WAGES FOR TWO OR MORE CLASSES OF WORK**

If an employee performs two or more classes of work, to each of which a different rate of wage is applicable, the employer is required to pay to such an employee in respect of the time respectively occupied in each such class of work, wages at not less than the minimum rate in force in respect of each such class.

## **2.5 MAINTENANCE OF REGISTERS AND RECORDS**

Every employer is required to maintain registers and records giving particulars of employees, the work performed by them, the wages paid to them, the receipts given by them and any other required particulars.

## **2.6 INSPECTIONS**

The appropriate Government may, by notification in the Official Gazette, appoint inspectors for this purpose under the Act and define the local limits for their functions.

## **2.7 CLAIMS**

The appropriate Government may, by notification in the Official Gazette, appoint Labour Commissioner or Commissioner for Workmen's Compensation or any officer not below the rank of Labour Commissioner or any other officer with experience as a judge of a civil court or as a Stipendiary Magistrate, to hear and decide for any specified area, all claims arising out of the payment of less than the minimum rates of wages as well as payment for days of rest or for work done.

## **2.8 AUTHORISED DEDUCTIONS**

The deductions can be made on account of:

- (a) Fines
- (b) Damage or Loss
- (c) Breach of Contract

### **III. STATISTICS COLLECTED UNDER THE MINIMUM WAGES ACT, 1948**

**3.1** All establishments covered under the Act are required to furnish to the concerned authority (Central or State) an annual return in prescribed form as per the rules framed under the Minimum Wages Act, 1948. The Centre / State Governments in turn send a consolidated return (Annexure III) to the Labour Bureau which compiles an all India report based on the data contained in these returns after scrutiny to ensure accuracy and consistency of data. Where the monthly Minimum Wages have been reported, these have been converted to daily minimum wages by dividing the monthly wages by 26, the fortnightly and weekly minimum wages have been divided by 12 and 6 respectively to arrive at the daily minimum wage.

#### **3.2 ADDITION OF NEW EMPLOYMENTS**

**3.2.1** The State Governments and the Union Territories review the Scheduled Employments under their jurisdiction from time to time and add new employments in respect of which it is of the opinion that minimum rates of wages should be fixed statutorily in addition to the existing ones.

**3.2.2** During the year 2009, two States namely Bihar and Meghalaya added new employments to the Schedule appended to the Act (Table 1).

#### **3.3 FIXATION OF MINIMUM WAGES FOR THE FIRST TIME**

Table 2 shows that during the year 2009, the minimum wages were fixed for the first time by the States of (A) Arunachal Pradesh in five scheduled employments: (1) Safai Karamcharis (2) Security Guard and Watch and Ward (3) Educational/Coaching Institutions (4) Hospitals, Nursing Homes, Dispensaries, Pharmacies and Consultation Clinics, etc. and (5) Distilleries and Brewing Units, (B) Bihar in six scheduled employments (1) Domestic Workers (2) Sale of Medicines (3) Papad Industry (4) Employment in Boating (5) Agarbati Industry and (6) Safai Karamcharis (excluding scavenging) and (C) Meghalaya in three scheduled employments (1) Safai Karamcharis (2) Employment in Registered Factories not elsewhere classified and (3) Employment under Government Authority (casual contingency employees).

### **3.4 SCHEDULED EMPLOYMENTS AND PREVAILING MINIMUM WAGE RATES**

The Central Government and the different State Governments have been maintaining a set of scheduled employments for fixing minimum rates of wages under their respective jurisdiction. This set undergoes a change as and when there is an addition of an employment in the schedule appended to the Minimum Wages Act, 1948 by these appropriate Governments.

Table 3 presents the data for 16 States/Union Territories and CLC (Central) on Minimum Wages for Unskilled Workers in Scheduled Employments as on 31.12.2009. The number of scheduled employments varies from State to State and so do the minimum wages. Amongst the States, the largest number of scheduled employments were reported from Bihar which stood at 88 and the lowest number i.e. 4 were reported from Mizoram. In case of Union Territories, the maximum number of scheduled employments i.e. 48 were reported from Chandigarh and the minimum i.e. 6 from Andaman and Nicobar Islands. An analysis of the table also shows that there is no uniformity in the wage structure as some States pay consolidated wages (Basic + Dearness Allowance) and some are reporting D.A. as a separate component. Only 2 States, 1 U.T. and the CLC (Central) have linked wages to periodic revision of DA. Further, 13 States/Union Territories were paying by and large equal wages to all the unskilled workers in all the scheduled employments.

### **3.5 SCHEDULED EMPLOYMENTS AND RANGE OF MINIMUM WAGE RATES**

**3.5.1** The total number of employments in respect of which the minimum wage rates have been fixed / revised and the range of minimum wage rates in different States / Union Territories as on 31.12.2009 have been presented in Table 4.

**3.5.2** It emerges from the Table that the number of scheduled employments was highest in the State of Bihar (88) followed by Rajasthan (62) and Punjab (60).

**3.5.3** The dispersion of wage rates as measured by the range between the lowest minimum wage rate and the highest minimum wage rate at all States / U.Ts. level is large, which is reflected by the fact that it is zero in case of the States/Union Territories which are paying equal wages to all the unskilled workers in all the scheduled employments whereas it is the maximum in case of Central Labour Commissioner (Central) i.e. Rs. 93.91.

### **3.6 MINIMUM WAGE RATES IN SCHEDULED EMPLOYMENTS IN CENTRAL SPHERE / STATES / UNION TERRITORIES**

**3.6.1** Table 5 depicts a comparative picture of the minimum wage rates per day prevailing in the scheduled employments in Central Sphere / States / Union Territories. The main purpose of classifying this information is:

- (a) to study the inter-State variations in the minimum wage rates in a particular scheduled employment and
- (b) to present the number and names of the States / U.Ts. fixing minimum wages for a particular employment at one place.

**3.6.2** It is clear from the Table that as on 31.12.2009 there were in all 242 different types of scheduled employments all over India for which minimum wage rates have been fixed / revised by the Central Government / States / Union Territories submitting returns . However differences in the range of minimum wages were found in the same scheduled employment in States or U.Ts. For instance, in Agriculture, the minimum wage rates of Rs.80.00 per day were reported from the State of Arunachal Pradesh and Rs. 156.00 and Rs. 167.00 per day were prevalent in Andaman and Nicobar Islands respectively. Similarly in Bakery/Confectionery, minimum wage rates of Rs.100.00 were observed in the States of Meghalaya and Rs.157.36 per day were found in Chandigarh. Further in Construction/Maintenance of Building and Roads, minimum wage rates of Rs.80.00 per day were found in Arunachal Pradesh and Rs.156.00 and Rs. 167.00 per day were found in Andaman and Nicobar Islands respectively. In case of Dal/Flour/Rice Mills, minimum wage rates of Rs. 80.00 per day were reported from the State of Arunachal Pradesh and Rs. 157.36 per day was prevalent in Chandigarh. In the case of Stone Breaking and Stone Crushing, minimum wage rates of Rs. 80.00 per day were reported from the State of Arunachal Pradesh and Rs. 156.00 and Rs. 167.00 per day were found

in Andaman and Nicobar Islands respectively. In Forestry/Timber Operations and Social Forestry, minimum wage rates of Rs. 80.00 per day were reported from the State of Arunachal Pradesh and Rs. 151.00 per day were prevalent in the State of Haryana. The same pattern is observable in the other scheduled employments as well. Highest minimum wages are being paid by the Central Labour Commissioner (Central) which stood at Rs. 203.00 in Area – A in the scheduled employments viz. (1) Construction/Maintenance of Roads and Building Operations (2) Construction and Maintenance of Runways (3) Employment in laying of Underground electric, wireless, radio, television, telephone, telegraph and overseas communication cables and similar other underground cabling, electric lines, water supply lines and sewerage pipe lines (4) Loading and Unloading in Goods Sheds, Parcel Offices of Railways, other Goodsheds, Godowns, Warehouses, etc. and Docks and Ports (5) Maintenance of Buildings (6) Sweeping and Cleaning and (7) Watch and Ward and the lowest Rs. 80.00 are being paid in all the scheduled employment in the State of Arunachal Pradesh. Almost in all the scheduled employments the highest wages are being paid by the Central Labour Commissioner (Central) and lowest in the State of Arunachal Pradesh.

### **3.7 SUBMISSION OF RETURNS**

Details regarding the number of establishments covered under the Minimum Wages Act, 1948 and those submitting returns as well as average daily employment have been presented in Table 6. In the State sphere, the response rate was as low as 0.17 per cent in the State of Uttarakhand and as high as 92.66 per cent in Manipur.

### **3.8 INSPECTIONS**

**3.8.1** The State-wise details of Inspections made, irregularities detected, prosecutions launched and claims preferred have been given in Table 7.

**3.8.2** In the States/U.Ts. , the highest number of inspections (228713) were conducted in Bihar and highest number of irregularities (161562) were detected by Central Labour Commissioner . On the other hand, the lowest number of inspections (29) were conducted in Arunachal Pradesh as well as lowest number of irregularities (38) were observed in Manipur. In the State sphere, the highest number of prosecutions (2058) were launched in Gujarat whereas the lowest number of prosecutions were launched in Rajasthan (35). The highest number of claims preferred were in Bihar (20609) and lowest in Andaman and Nicobar Islands (1).

### 3.9 ENFORCEMENT OF THE ACT

Mere fixation / revision of wages would not be sufficient unless it is ensured that the workers are paid accordingly. Thus provision of adequate staff is a must for successful implementation of the Minimum Wages Act. However, in most of the States and Union Territories, there was no machinery appointed exclusively for the enforcement of the Minimum Wages Act and the inspection staff appointed under other labour Acts was entrusted with the enforcement of the Minimum Wages Act also. The Statement showing the strength of the machinery for enforcement of the Minimum Wages Act, 1948 during the year 2009 has been given in Annexure- II.

### 3.10 LIMITATIONS OF THE DATA

The following States/U.Ts. have not submitted their returns for the year 2009 despite repeated reminders or have submitted defective returns and are, therefore, excluded.
